#### DRIVERS BOOKING PROCESS FOR 2022

Please notify us of your intention to Race by using the Online Drivers Booking form @ Online Driver Booking Form | Racewall ([www.racewall.co.uk/drivers/driver-booking-online-form](http://www.racewall.co.uk/drivers/driver-booking-online-form))

Whilst doing so, advise us how many people will be attending with the driver as part of their race team – that is a maximum of 6 persons including the driver.

Children under 12 are not counted within this number.

On arrival at the track, the driver will need to report to the GMP Office to sign in and collect (and pay for where applicable) the entry wristbands for their team.

If the team exceeds 6 persons (including the driver) then entry for the additional persons will need to be either purchased via advanced tickets (when available) or at the turnstiles.

Drivers can also book in through their respective facebook page or verbally to an official. Should a driver who has booked in to race find for some reason that he cannot then where practical they should inform the promotion that they are unable to do so.

We now have the full track covered by cameras, this is a great advantage for the Steward when it comes to reviewing any incidents and disputed places. It has made it clear that the inside kerbs are being used on occasion when entering the bends on turn 1 & 3. This will be looked at more closely in future and if need be action taken against offenders, who are deliberately using them for advantage.

You are also reminded of the need to hold your lines once committed to the bends. We will be refreshing the White Lines as soon as we can, (Don't leave the door open then try and shut it). Any concerns about any on track issues should be addressed to the Steward, by the registered Driver. Not with opposing Teams / Team members.

You have built up the formula to a great formula once again so let's keep it that way, and enjoy your Racing

### ON TRACK NEWS

16 April

Back in action was 320 Dean Whiteley, 50 Tori Lee Adams and 246 Megan Wilson with 40 40 Alex Taylor getting the proceedings underway. He was to lose out to 348 Liam Boyle who went on to win heat one from Whiteley and 64 Callum Rennie. Heat two was again led by Taylor but he ended up being edged into the wall and suspending the race. Although Whiteley led on the restart C. Rennie went around the outside to move from third into the lead and on to win from Whiteley and Boyle.

The final saw Boyle make a good start with Whiteley and Adams filling the next two spots. There was a stoppage after a two car shunt on the turnstile bend but when the race restarted Boyle led but Whiteley was now under pressure from 600 Kielan Ogilvie but when they tangled it spelled disaster for 822 Aimee Winfield who went for a gap that disappeared and she hit a marker tyre and rolled. The race was stopped with Boyle winning from Ogilvie and 999 Nicole Russell. Aimee was assisted out of her car by the paramedics and thankfully we heard later that she was alright.
